

Quest Diagnostics

TACKLE

YOUR TESTING

Get back in the game

No-cost health event

- Get lab testing
- Talk with a doctor

Find an event near you at
TackleYourTesting.com

“Don’t miss the chance to get back in the game. Tackle your health today!”

- Warrick Dunn, legendary NFL running back

Lots of people put off testing during the pandemic, and that can be dangerous:

70%

decline in new
type 2 diabetes diagnoses¹

64%

drop in diagnostic
tests for heart disease²

46%

decline in new
cancer diagnoses³

39%

fewer cases of
key sexually
transmitted infections⁴

Getting lab testing is key to catching health issues sooner

Quest Diagnostics, your local health clinic, and Warrick Dunn are teaming up to help you tackle your testing at **no-cost health events throughout Florida.**

Take control of your health

What you can expect at Tackle Your Testing health events:

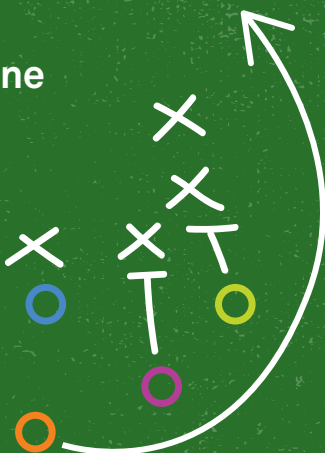

- **Talk to a doctor.** Doctors will be available to talk with you about any health concerns you may have
- **Get lab work.** Licensed phlebotomists will safely collect blood samples for lab testing
- **Access results.** You'll get your test results to review with your doctor
- **Zero cost to you.** These services will cost you nothing
