

Testing Services located throughout Houston and surrounding areas

With 72 Patient Service Centers throughout the greater Houston area, Quest Diagnostics makes it convenient for you to access the testing you need to manage your health. To locate a Patient Service Center and schedule an appointment go to QuestDiagnostics.com/PSC or call 1.888.277.8772. After your visit, get your results at QuestDiagnostics.com/MyQuest.

Visit our convenient locations:

- Quest is in-network with the majority of health insurers in the US, and is a member of the UnitedHealthcare Preferred Lab Network.
- Peace of Mind program reserves the first hour of each day for patients more vulnerable to COVID-19, and includes social distancing, face covering requirements, and enhanced cleaning and safety precautions.
- Wait by Text allows patients to wait for their appointment wherever they choose and receive a text alert when it's their turn.
- Making an appointment before you arrive is strongly encouraged. Appointments will receive priority and walk-ins may be accommodated during the next available appointment opening, but cannot be guaranteed same-day service.

Be prepared:

- Confirm with your doctor if you need to fast. Fasting up to 8 hours may be required for lipids (cholesterol, triglycerides, HDL) and glucose testing.
- Check with your doctor; some tests, such as glucose tolerance tests, can take up to 4 hours. Allow adequate time.

Arrive Ready:

- Wear sleeves that roll up easily.
- Bring your completed test requisition or prescription (your doctor may have already sent an order electronically).
- Have your current insurance card with you. We accept most insurance plans.
